

How to find Northampton General Hospital

Northampton General Hospital, Cliftonville, Northampton NN1 5BD

By road

Northampton General Hospital is located between the Billing and Bedford Roads, approximately half a mile east of the town centre. The main car park is accessed from the Cliftonville Road entrance to the east of the site.

From the M1, leave the M1 at Junction 15, and follow the A508 to Northampton. Continue for three miles on this dual carriageway, after the Brackmills turn, take the A428 Bedford/Town Centre exit down to the large roundabout (Barnes Meadow interchange). Take the first exit from the roundabout (A428 Town Centre), get into right hand lane, and turn right at the traffic lights (Cliftonville Road). Continue up Cliftonville Road until the next set of traffic lights, turn left at the lights into the hospital entrance.

Parking

The ticket machines which are in the Pay on Exit car parks 1 and 2 do give change and accept both notes and coins. Please note that the Pay and Display ticket machines do not give change, and only accept 5p, 10p, 20p, 50p, and £1.00 coins. Car Parking Charges: £2.20 for up to 3 hours, £4.20 for 3 to 6 hours and £10.00 for over 6 hours. The car park next to the PET/CT van is very small so patients may have to be dropped off at the scanner and their driver leave the car in car parks one or two.

By bus

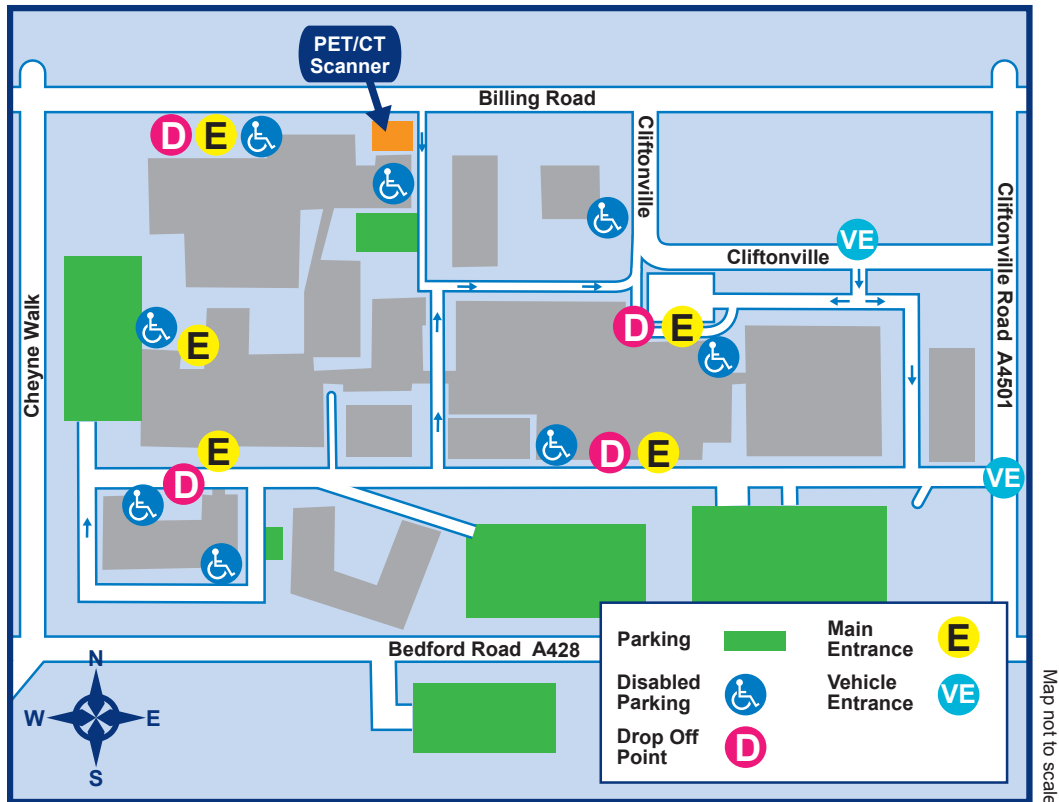

Services 5 or 5B leave Greyfriars bus station every half hour, and stop on the Billing Road near to the main entrance of the hospital five minutes later.
