Please follow the InHealth PET/CT signs, or from the main multi storey car park follow the walkway. Enter the hospital through the main entrance and follow signs almost immediately on your right for Churchfield House and Postgraduate Centre. This takes you up a small alleyway on the outside of the building, you should then see the scanner and support vehicle.

By bus

Route ONE, the town centre bus, links most of Poole's car parks with the main Hospital entrance. The distinctive blue buses run every 15 minutes on a simple circular route and are a great way of avoiding those car park queues. Plus it's just 50p.
